LATONIA TO CLOSE JULY 5

AUTHORITATIVE ANNOUNCEMENT MADE FOL-LOWING CONFERENCE HELD YESTERDAY.

Return of Muddy Track Conditions Responsible for Riddling of Card, but Winners Are Well Backed and Layers Keep on Losing.

Cincinnati, O., June 25.—A return to muddy conditions at Latonia resulted from the heavy rain of last night and accounted for the riddling of an already light card. The sport was uninteresting and the finishes tame, with the exception of the fourth race, in which Alice Baird and Gerrymander fought it out. A sharp shower fell after the fifth race and quickly converted the course from a sticky bogginess into a slippery state that was mainly responsible for Grenade's success in the succeeding race. The weather was again bazing hot and the guoted prices.

Of more interest to horsemen than the racing was the official announcement.

sponsible for Grenade's success in the succeeding race. The weather was again blazing but and the attendance of small proportions. Sixteen layers quoted prices.

Of more interest to horsemen than the racing was the official announcement made during the afternoon, after a conference of Messys. Myers. Myers, and other directors, that the Landing the afternoon after a conference of Messys. Myers, directly continue until July 5. The superarnoce during the morning the program book to make its special meeting would continue until July 5. The special meeting of a morning the superarnoce during the morning the superarnoce during the morning the superarnoce during the morning that racing at Latonia would close tomorrow might. This would have meant a sbut-down before the originally scheduled period of thirty days ending on Monday next. The extension is of six days duration. There will, however, be a reduction of purses, a daily offering of \$2,000 being the amount that will be distributed for six races. There was considerable opposition to the extension. The Cellas, especially, did not think it advisable to continue under existing conditions. There is no gainsaying that Cincinnatt has greatly fallen off as a racing center in the last few years. The public, seemingly, will not turn out, except occasionally when a special feature is programmed. It was also positively established this afternoon that there will be no extension at Latonia beyond July 5.

Four first choices were successful during the afternoon, all at short prices and the other races went to Whim and Grenade. All the winners were smartly supported and the layers were again a dejected lot at the close of the racing.

He ded were a staunch favorite. Several owners started bidding on him simultaneously and he was quickly mised from \$400 to \$1,200, at which figure He delevel secured him. The horse was entered for tomorrow under selling conditions similar to those which prevailed today, but his new owner immediately announced his intention of scratching the horse. I

only three others being carded to start. A new race at a mile and a sixteenth was quickly amounced and was filled before race-goers departed from the track.

Alice Baird was considered the best betting proposition of the afternoon, but she barely escaped defeat by Gerrymander, her margin at the finish being but a head. Sorrowful again disappointed by failing to withstand the challenge of Grenade in the closing race. All Muller, in the fifth race, finally found conditions exactly to his liking and landed the purse from Orlandot. Belleview had to be sharply shaken up to outstay the suddenly improved Stone Street, but ultimately won by a length. The poor showing of Azo in this race was commented without the borse to pecunically between the horse to pecunically deskey Brannot unbjected he horse to pecunically with the bundering manner in which jockey Thompson handled Water Lake, and instructed him not to accept further mounts here. They also gave permission to N. B. Davis to waive the apptentice allowance, enabling him to secure a stouter rider.

Owners Gallaher, Dunne and Fizer will ship their strings to Fort Erie on Wednesday next.

Pinkola and Colonel Bob, which have been resting at Louisville nearly two months, will be at once put back into training and will rejoin the Ferriss string here for shipment on Monday next to Louisville.

Matt J. Winn will arrive here tomorrow from New York en route to Louisville, where he will stay for a short period before going back to New York.

T. Hatfield has secured a contract on the appentice rider, Kaiser, who had his first mount yesterlay.

Secretary Ed Maginn telegraphed here yesterday that all owners who made application for stalls at Fort Erie will be accommodated.

There will be a cecommodated.

PLAN FOR OUTLAW MEETING BLOCKED.

Hamilton. Ont., June 25.—Several persons who participated in the recent outlaw meeting at Dufferin Park at Toronto were refused admission to the Hamilton race track today. The Hamilton meeting here is being conducted in a high-class manner. In former seasons the layers were permitted to use stools, but this season they are forced to stand up and move about. Major Greer, head of the provincial detective bureau, paid a visit to the track today to look things over and he declared the law was being respected by the club.

An attempt was made by parties said to have been interested in the Dufferin Park meeting to lease a track at Hamilton, but on their arrival here they found that the old half-mile course, which was known as the James track, had been converted into a simmer park. This, of course, blocked their scheme.

HILDRETH TALKS ABOUT FITZ HERBERT.

New York, June 25.—After Fitz Herbert had won Suburban Handicap yesterday, S. C. Hildreth

New York, June 20.

New York, June 20.

He is not he suburban Handicap yesterday, S. C. Hindren, said:

"This colt is the best horse I own. He is not in any of the stakes that closed in 1906 and 1907, excepting the Realization, but he is in nearly everything that I could get him in this spring. He is in the Swift, seven furlongs; the Coney Island Jockey Clab Stakes, a mile and a half; the Commonwealth Handicap, a mile and a quarter; the Advance, weight for age, a mile and five-sixteenths; the Long island Handicap, a mile and a furlong, and the Realization, at this meeting. When he will start again I don't know. I will have to figure on that."

PADUCAH'S PROPOSED RACE MEETING.

Paducah, Ky., June 25.—Paducah's race meeting, which will run twenty-two days, will begin July 8, and will be under the auspices of the Paducah Fair Association. Harry White of New Orleans, who will manage it, arrived today to complete arrangements. White, who is a well-known horseman stated that about 200 horses will be here from Oklahoma City, Okla., and a consignment is expected from Latouts. It is the first meeting of any magnitude attempted in this end of the state.

THIRTY LEADING MONEY-WINNING OWNERS

S. C. Hildreth's horses have already won in excess of \$100,000 in stable earnings for 1909, a remarkably good record for so early in the turf year. If his horses remain sound and in good form it is quite possible for him to reach \$200,000 in stable winnings before this year terminates, a sum to the credit of only James R, Keene and Herman B. Duryea in the history of American racing. The Duryea record of \$200,107 in 1904 was really a credit to the Whitney stable, but because of the death of William C. Whitney the Whitney horses were raced by and in the name of Mr. Duryea that year. But whether Hildreth reaches the sum named or not, he is a far away leader now and only Mr. Keene and displace him. The latter has done well since the New York tracks opened and is likely to increase his earnings largely in the course of the current Sheepshead Bay meeting. To the date named the records of the thirty stables leading in the matter of money won from the first day of January this year were:

CONDENSED HISTORY OF THE TIDAL STAKES

The Tidal Stakes will be run for the twenty-eighth time this afternoon. The fact that it is of the guaranteed value of \$20,000 serves to give it great importance in these days of lean stakes and it is matter for regret that of its original nominations Selectman, Esperanto, Wamba, Perseus, Hillside, Sixty Heimet and Sir Martin are now in England instead of being in the land of their nativity to battle for the rich prize. The Tidal is one of the first list of stakes devised by the Coney Island Jockey Club and at first secend to have been established for the exclusive benefit of Dwyer Bros., they winning the Tidal five time out of its first six years of running. In its honor roll of winners the names of such grand racers as Barnes Joe Cotton, Inspector B., Hanover, Salvator, Burlington, Sir Walter, Dobbins, Handball, Watercolor, Majo Daingerfield, Ort Wells, Sysonby, Peter Pan and Colin serve to emphasize the rank that the event has always held since its first running in 1882. It will be contested by but a small-field this afternoon, but there is promise of a capital race notwithstanding. The history of the event is as follows:

JOHN CONDON PLANNING WESTERN TRIP.

John Condon is planning a combined business and pleasure trip to the Pacific coast. He will leave Chicago about July 5, to be absent two months, After a brief visit to the Seattle exposition he will spend several weeks in California as the guest of Thomas H. Williams and Adam Andrew, with whom he is associated in various business ventures.

JEFF BERNSTEIN SHOWS NO ILL EFFECTS.

Cincinnati, O., June 25.—Jeff Bernstein pulled up all right after his race on Tuesday and will do from now on. Trainer Baker worked him six furlongs

last Saturday in 1:142, and thought that was suffi-cient to put him on edge for a race. The muddy going may have had as much to do with the defeat of the horse as lack of fitness.

BELMONT YEARLINGS TO BE TAKEN UP.

New York, June 25.—The first batch of yearlings to be taken up and given their early education on the metropolitan courses this season, will be those of August Belmont. Nine choicely bred coits and fillies will be immediately shipped from the Nursery Farm to Mr. Belmont's private quarters at Belmont Park. Trainer John Whalen will take them in hand shortly after their arrival and have them prepared to show trials in the early autumn.

STEVE LANE IS CUP WINNER

TAKES WALKER, LONG ESTABLISHED STEEPLE-CHASE FIXTURE AT HAMILTON.

Beau Nash Disappoints His New Owner and the Public-Green Seal Wins Handicap and Moonraker Race for Canadian Horses.

Hamilton, Ont., June 25.—The Walker Cup, one of the Hamilton Jockey Club's oldest fixtures, the conditions of which call for starters to be the bona fide property of residents of the Dominion, was provided as the principal attraction of an excellent program this afternoon. The Grimsby Handicap and a mile and a sixteenth dash over the turf course were also featured. The exenty balanced card, which held out the prospect of keen sport, brought out a large attendance and speculation was exceedingly brisk. The usual afternoon showers fell, but the rain held off until after the running of the fourth race and lasted but a few moments. Then it cleared off again and the sixth race was run, but the rain held off until after the running of the fourth race and lasted but a few moments. Then it cleared off again and the sixth race was run, but the course of the course of the course of the course. The course of the course, but up to the tenth fence it was a stirring contest. At this point Bannell and Al Powell fell heavily. Both were remounted and finished the course, but when the boys that rode them weighed in they were found to be short of weight, so no third horse was placed.

The Walker Cup, with the exception of 1903, has been run continuously since 1893 and its list of winners contains the names of well-known steeple-chasers. The tabled history of the race since 1900 is as follows:
Year. Horse. A. Wt. Jockey. Val. Time, 1900 Arquebus ... 5 149 Dufresne ... \$650 4:19 1903 Not run this year.

AFTERMATH OF THE SUBURBAN.

Fitz Herbert Accounted Colt of Really High Class-Crowd Reminder of Olden Days.

New York, June 25.—While the array of starters carded for tomorrow's racing at Sheepshead Bay is numerically weak, quality is conspicuously starters sented. Hilarious Joe Madden and Fayette will meet, for the third time this season, in the valuable Iridai Stakes. Hilarious won the first two races decisively, with Joe Madden the runner-up in each instance. On two other occasions the latter administered decisive beatings to Fayette, therefore there is a good line on the probable outcome of the Tidal. In addition to the Tidal Stakes, the card includes five promising contests, including the Beacon Steeplechase and the Foam Stakes.

Barney Schreiber's famous horse, Jack Atkin, is the principal magnet of attraction in the sprint handicap, which will engage the biggest field of the day and is the most open race on the program.

Experts declare that analysis of the running and time of the Suburban shows Fitz Herbert to be a really high-class colf. Fitz Herbert tan the first in the start of the suburban shows fitz Herbert will meet his only formidable rival for three-year-old stake honors in the Concy Island Joebey Club Stakes. Commonwealth Handicap, Advance Stakes and the Realization.

Fayette's star is now thoroughly eclipsed. He day even properties of the day only the day which will be delivered to the day and the Realization.

Stakes. Commonwealth Handleap, Advance Stakes and the Realization.

Fayetic's star is now thoroughly eclipsed. He had every opportunity yesterday to show his quality, running, as he was, on a fast track and ridden by a competent jockey. With things his own way, Madden's colt was found wanting.

The crowd that saw the Suburban came as near to being a reminder of the old-time racing crowds as any that has turned out this season, Sheepshead is a mighty big place, much bigger than Gravesend, and it takes some crowd to fill it. It was well filled yesterday. The grandstand, for its entire length in both thers, was almost crowded and the broad lawn held crowds throughout the afternoon, comparing well with any Saturday in the old days. Effendi was withdrawn from the Suburban because of a filling and fevered condition of his off fore leg. Until the swelling and fever disappear, the extent of the injury will not be known.

Jockey Fairbrother has signed a contract to ride forces. The comparing a startering wide.

Since see the coming yearling sales are attracting wide-spread attention. There is a feeling that good prices will be realized. It is certain that there are many more intending purchasers this senson than last. Thomas Welsh will take the Belmont yearlings to Saratoga soon after their arrival from Kentucky.

MARTIN NATHANSON GOES TO BUTTE.

Martin Nathanson has been appointed handicapper and judge for the thirty-day meeting of the Butte Jockey Club, which will open at Butte, Mont., July 3. Mr. Nathanson will also represent the Pacific Jockey Club throughout the meeting in the capacity of steward. He will take his departure from Chicago Monday in order to reach Butte in season to attend to the preliminaries incidental to the opening of the meeting, which gives promise of being the most successful since the days when Marcus Daly dominated the Montana turf. Meetings of briefer duration at Anaconda, Great Falls and Helena will follow the close at Butte.

CLAIM AGAINST JUPITER JOE SATISFIED.

Lexington, Ky., June 25.—The threatened legal controversy over the horse, Jupiter Joe, has been averted by the action of Grant Johnson, former owner of the horse, in satisfying the claim of John H. Patterson, the Lexington broker, who sued, out a writ of attachment against the animal,

ATTEMPT TO ROB JOCKEY M'GEE

Cincinnati, O., June 25.—In defending Fred Morris, head stable hand for Henderson & Hogan, of Louisyille, from a murderous assault at the hands of John Blaxton, a colored fugitive from justice, John Dixon, better known as "Dummy," so effectively wielded a pitehfork that there is doubt of Blaxton's survival.

The affair took place early this morning when Blaxton attempted to rob Jockey McGee's room, close to the Henderson stable on the backstretch of the Latonia track.

The lad called Morris to his assistance. Blaxton went after the stable foreman with a baseball bat, beating him over the head and eye. Witnesses assert that had it not been for the prompt interference of Dixon with a pitchfork, Morris would surely have been brained.

The intruder was finally disarmed, but not before the prongs of the fork had plereed his head just above the right eye. He was also cut in the body and his left arm broken in three places.

Police authorities called to the scene, made a sweeping arrest of all concerned in the affair and also recognized Blaxton as an alleged murderer for whom the authorities of Louisville have been searching during the past eight months.

Both Dixon and Morris were accompanied to court by Henderson, who furnished a \$5,000 bond for their appearance for trial.

Cash Sloan, who rode at Latonia Thursday, is a brother of Tod Sloan, who had been out of the saddle for several years. The veteran had to work hard to get down to 105 pounds.

Wintergreen, J. B. Respess' crack colt, is again galloping at Latonia, having recovered from the effects of the mishap which befell him during the ranning of the Latonia Derby preliminary at Louis-ville.

James Gaffney, the wealthy New Yorker, who has last embarked in racing as an owner by buying Julia Powel, says that he believes racing is rapidly reviving and that he considers the present an opportune time for selecting material for a racing stable

GOOD RACING CAREER OF SENORITA.

Of all the good horses the late Captain Samuel S. Brown owned in the course of his long connection with the turf the one that was closest in his affections was the stately mare. Senorita, that died a few days ago. In proof of this, when he concluded to embark in breeding thoroughbreds and bought a blue grass farm near Lexington, he named it Senorita Farm. That his favorite never produced a highelss son or daughter was one of his greatest disappointments.

Senorita came out in an era of great race horses, being in her time in competition with such glants of the track as Salvator, Tenny, Raceland, Firenze, Riley, Tristan, Strathmeath, Sir Dixon, Prince Royal, Tournament, Eurus, Eon, Kingston, Los Angeles and others of that superlative order. That she could hold her own and win often against such likely-lass opposition is proof positive of her own great excellence as a racer. A big bay daughter of

the great English miler. Prince Charlie, she began her career as a two-year-old in 1888 at Monmouth Park, by running second to Minion in the Red Bank Stakes. A few days later she won the rich Criterion Stakes and was at once recognized as a coming star. Subsequently she ran fourth to Proctor Knott. Salvator and Galen in the first Futurity. Then she ran second to Centaur in the Algeria Stakes. Won the Willow Stakes, defeating Belmont's famous filly She, ran second to Salvator in the Maple Stakes and was at our control of the Market and the salvator and the salvator in the Maple Stakes and was but once unplaced, her successes being in the following stake races: Monmouth Oaks, West End Hotel Stakes, New Rochelle Stakes, East River Stakes, Glouing stake races: Monmouth Oaks, West End Hotel Stakes, New Rochelle Stakes, East Salver Stakes, Glouing Stake races: Monmouth Oaks, West End Hotel Stakes, New Rochelle Stakes, East Siver Stakes, Glouing stake races: Monmouth Oaks, West End Hotel Stakes, New Rochelle Stakes, East Siver Stakes, Glouing Stakes, Park, In which she was heavily weighted, and she only managed to win one stake race, the Country Club Handleap, at Morris Park, in which, with 112 pounds up, she beat Tristan 113, Reporter 108, Los Angeles 112, Fitz James 106 and Joe Courtney 98, all crack race horses, at a mile and an eighth. As a five-year-old she won seven races out of twenty-one starts, all in overnight handleaps and purses. When a six-year-old send won seven races out of twenty-one starts, all in overnight handleaps and purses. When a six-year-old send won seven races out of twenty-one starts, all in overnight handleaps and purses. When a six-year-old selve won seven races out of twenty-one starts, all in overnight handleaps and purses.
